

#### **Overview and Technical Data:**

# **Keppler 3-Axis Automated Manufacturing Cell**

## **KEPPLER**

Second Hand KEPPLER Machinery for Sale cheap | Asset-Trade Year of Build: Jan 2005

### **Description:**

Used Keppler manufacturing cell / 3-axis machining center (2005). With Siemens control, integrated handling, HSK63, double fixture, and Kelch tool presetter.

For sale is a complete, automated manufacturing cell built around a 3-axis special purpose machining center from the manufacturer Keppler. The system is designed for highly productive serial manufacturing and features a double, rotatable workpiece fixture, an integrated Keppler handling system with gripper arms, and a full set of peripherals. Equipped with a Siemens Transline control and modern HSK63 tool holders, this cell is a turnkey solution for automated machining.

This manufacturing cell is ideally suited for the serial production of specific components where high volumes and short cycle times are required.

## **Highlights of the System**

- Complete Manufacturing Cell: Machine with a fully integrated Keppler handling system.
- **Optimized for Serial Production:** Featuring 4 stations for drilling heads and a double, rotatable fixture for loading/unloading during machine operation.
- Modern HSK63 Tool Taper: Ensures high precision and rigidity.
- Extensive Accessory Package: Includes a Ruez chip conveyor, filter unit, and a high-quality Kelch tool presetter.
- Low Spindle Hours: The recorded operating hours of the individual drilling heads are very low in relation to the total machine hours.
